Investigative Edge 2026—Sharpening Your Craft

Mike Jenkins
INspi Board Vice-President

Hello Members!

I hope your summer is going well and you get some time to relax and enjoy yourselves!!

Now that our annual event, **Investigative Edge 2026--Sharpening Your Craft** is over, I can say that it was a great success! The South Bend Cubs game was a special treat, and thanks to President Steve Radde for making this happen! We had some awesome speakers, and the networking was in full gear. It was nice to see old faces and some new ones as well.

Our Event was highlighted by Kelly Riddle, Ryan McDonald and Matt Aubin sharing their expertise and experiences. They made us think about how we handle our business and added good points to improve things. I know that I walked away with several ideas from them. Our vendors from PI Point and IBR Search took personal interest in our members and took a lot of time for one-on-one short sessions with members, to them I say thanks!!

I would like to take a moment and thank one individual who works behind the scenes daily and is responsible for INspi's success, our one and only Jan Fye! Jan is our Executive Administrator who spends countless hours handling our new members, renewing our current members, coordinating the newsletters, website, and a host of other duties that make us a success! As Jan enters a "semi-retirement" role.....I want to say thank you!!!! Because of you, we are where we are today!!!

Take care and have a safe summer!!

P.S. Remember to check out the event handouts in the Member Area on the website under INspi Pro Academy!

Thank You to All Sponsors and Supporters!
