Voting for Your New Board Members Is Right Around the Corner!

We are working on collecting all the information you will need to place votes for your preferred candidates, however, we wanted to share what we have up to this point so you can become familiar with those members running for office. More information to come! Stay tuned.

Name	Office	Bio
Mike Jenkins	President	JM Jenkins Investigations 103 Woodview Court LaPorte, IN 46350

My name is Mike Jenkins, and I'm the current Vice President of this fine organization.

I am running for President to continue the great work of INspi's past leadership team. My priorities will be to conduct regional meetings and ensure we have a successful annual event!

I bring twenty-nine years of law enforcement experience to the team. During my law enforcement career, I held various investigative and management positions, including Commander of Investigations (Detective Bureau Commander) for a Northwest Indiana County Sheriff's Department. I worked with various special units, including overseeing the Fatal Accident Crash Team (FACT) as the appointed Accident Reconstructionist; supervised and worked on criminal investigations and conducted internal investigations. Becoming a private investigator seemed like a perfect fit after my law enforcement career. When I joined INspi many years ago, I made several friendships that will last a lifetime!

INspi has members with various backgrounds, and we can all bring something to the table! This is OUR organization, and WE should all have a say in the direction it takes. I want to get as many people involved as possible so we all can benefit from each other!

Tina Skirvin	Vice-President	Trace Investigations, Inc. 517 N. Walnut Street Bloomington, IN 47404

Meet the Candidates (cont.)

Dylan Mazurek — Board

Maz Intelligence Bureau LLC
107 N. Washington St
PO Box 164
Hebron, IN 46341

I believe one of the strongest things I can bring to the INspi Board is my ability to connect with people and help strengthen our professional community. I have always been able to walk into a room and build relationships that make people feel comfortable and included.

My background in law enforcement has taught me how to communicate with people from all walks of life, listen when needed, maintain composure in difficult situations, and provide reassurance. As the owner of Maz Intelligence Bureau, I have carried those qualities into the private investigative profession while building strong relationships with fellow investigators and industry partners.

If given the opportunity to serve on the INspi Board, I would bring my law enforcement and investigative experience, perspective as a business owner, strong work ethic, and genuine willingness to support our members.

In conclusion, we are only as strong as the community we build together. When we support one another and share our knowledge, we strengthen each other and our profession. It would be an honor to serve this organization and stand alongside those who share the same commitment and vision for its future.
